Highlights & Awards

Windsor Elementary has been serving the community since August 1967. The school has a rich history of taking care of the whole child academically, socially, physically and emotionally. With the support of all stakeholders, Windsor has created an enriched learning environment where students are able to excel. We were reauthorized as an International Baccalaureate World School during the year 2019. Teachers incorporate strategies to promote inquiry based learning experiences to encourage global thinking. Windsor Elementary is currently in the process of seeking Green Steps certification.

Grants

- 21st Century Community Learning Centers which provides tutoring and enrichment for 100 students in 2nd through 5th grade
- Richland Soil & Water Conservation Mini-Grant
- SC DHEC Champions of the Environment Grant
- RCCC Friends of the Forest Grant (partnership with Camp Discovery)

PYP International Baccalaureate School

We strive to develop students who will build a better world through intercultural understanding and respect. Students of all ages are encouraged to think critically and challenge assumptions. Students consider local and global contexts when engaging in critical thinking. Students encompass the attributes of the Learner Profile when growing as international-minded thinkers.

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.

SIC Goals

Goals

Goals for 2020-2021

Windsor Elementary is helping all students develop the world class skills and life & career characteristics of the "Profile of the SC Graduate" by:

- Develop an internationally minded community through implementation of the IB units of study in alignment with the district's pacing guides.
- Retain and grow quality teachers and staff members.
- Continue to implement strategies to develop more partnerships with parents and community members to engage them in a continuous cycle of improvement.
- Create and develop more opportunities for student leadership.
- Continue to strategically use data to inform instructional practice to positively impact student achievement in all content areas.
- Embrace the 1TWO1 technology to continue to design instruction that can customize learning to provide premier learning experiences for all students.
