## Student Leadership

### Leader in Me

The Leader in Me framework is an evidence-based, comprehensive school improvement model—developed in partnership with educators—that empowers students with the leadership and life-skills they need to thrive in the 21st century.

Our School Improvement Council plays a key role in the development of student leadership at Pontiac by also serving as our Parent Lighthouse Team. This team brainstorms ideas on how they can promote and enhance the Leader in Me model within Pontiac and at home. Each meeting agenda for this team is aligned with the Leader in Me principles, culture, leadership, and academics.

*Our School Improvement Council was recognized as a finalist for the 2020 Riley Award for our focused efforts on student achievement in the area of literacy. This year, the council decided to focus on student led service learning projects. The projects focused on restocking our food pantry, friendship in the community, helping the environment, and enhancing our school garden. It is our hope that these projects will continue to spur a love of learning and service to mankind among our students.*

## 2022 Student Achievement

### School Improvement Council Annual Goals

To increase student achievement in the area of literacy through the work of continued community partnerships.

To develop leadership skills in students by utilizing Stephen Covey's Leader in Me framework.

To create a culture of college and career readiness.

To promote a partnership among students, parents, school, and the community.

To provide a college scholarship to a graduating senior at a Richland Two high school that attended Pontiac Elementary as a 5th grader.

*Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.*

### Technology

Pontiac Elementary is rich in technology. All students in Kindergarten-5th grades participate in the district 1TWO1 initiative with each student being assigned a Chromebook. Our teachers and students use Google products for communicating, creating and collaborating. Dyknow is provided to teachers to assist with the 1TWO1 initiative. Each classroom is also equipped with Cleartouch panel.
