Mission Statement

Summit Parkway Middle School, with the support of parents, families, and community will provide each student the opportunity for a quality education by offering challenging and diverse learning experiences in a safe and nurturing environment.

Vision Statement

We believe that student success is achieved through academic rigor and engagement, behavior interventions, and social emotional learning.

The Summit Way

One View, One Voice, One Vision

Highlights

Students, parents, faculty and staff at Summit Parkway Middle School are proud to work together to offer a quality teaching and learning environment. Here at The Nest we continue to implement **Advisory**. This is a school-wide initiative that works on relationships, building class community and a common language among staff as well as a set of behaviors that are focused on improving school climate and culture. Continued use of the advisory activities will further enhance empathy and kindness as well as the growth mindset of the students, parents, faculty, staff and community. We have continued to provide content recovery programs and interventions focus on academic and social skill deficits found using a **Multi-tiered Systems of Support (MTSS)**. Implementing **AVID** School-Wide which consist of incorporating instructional strategies will continue to keep students engaged during class. **Professional Development** for teachers include but are not limited to the district instruction model, instructional strategies to improve rigor and engagement, differentiated instruction, building rapport with students, restorative practices, behavior strategies, and culturally responsive teaching. We will continue to provide teachers with the necessary tools to connect, engage and inspire.

SIC Annual Goals

- Provide ideas and topics for **Parent University** covering meaningful and relevant content.
- Increase SIC membership as well as overall parent involvement and communication.
- Continue to improve student achievement as outlined in our **School Renewal Plan**.
- Maintain the usage of Advisory content as well as continue the progress made with the 7 **Mindsets** social-emotional curriculum.
- Implement AVID with fidelity and ensure that all faculty and staff are aware of expectations and monthly spotlights.
- Increase the number of **Junior Scholars** by providing information about the PSAT to our parents, test taking strategies to our students as well as funding for students to take the test.
- Continuous monitoring of school-wide systems and tiered approaches of academic behavior and social-emotional learning, helping families to implement **Eagle PRIDE** at home and in their community.
