Mission Statement

Summit Parkway Middle School, with the support of parents, families, and community will provide each student the opportunity for a quality education by offering challenging and diverse learning experiences in a safe and nurturing environment.

Vision Statement

We believe that student success is achieved through academic rigor and engagement, behavior interventions and social-emotional learning.

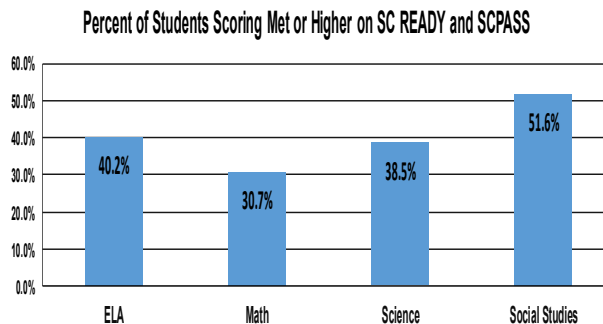

One View, One Voice, One Vision
The Summit Way

Highlights

Students, parents, faculty and staff at Summit Parkway Middle School are proud to work together to offer a quality teaching and learning environment. This year we have continued implement Capturing Kids Hearts. This is a school wide program that works on relationships, social contracts for every class, common language among staff and set of behaviors that are focused on improving school climate and culture. We have continued to provide content recovery programs and interventions focused on academic and social skill deficits found using a multi-tiered systems approach. We have implemented an advisory program consisting of restorative circles, 7 Mindsets curriculum, empathy and kindness activities, an AVID notebook check and silent sustained reading activities. Continued use of this program will enhance the growth mindset of the students, parents, faculty, staff and community. Professional Development for teachers includes AVID strategies, behavior strategies through restorative practices and a tiered framework. Other school-wide expectations for students is to demonstrate PRIDE. It is our goal to equip all of our faculty and staff with the necessary tools to continuously connect, engage and inspire our students.

SIC Annual Goals

- Provide Parent University workshops covering meaningful and relevant topics.
- Increase SIC membership as well as overall parent involvement and communication.
- Continue to improve student achievement as outlined in our Professional Learning Plan.
- Implement Advisory with fidelity and ensure that all faculty and staff are aware of expectations and activities.
- Implement the strategies outlined by the curriculum provided by Capturing Kids Hearts' to encourage school empathy and kindness.
- Increase the number of Junior Scholars currently 9, by providing information about the PSAT to our parents & community and test taking strategies to our students.
- Continuous monitoring of school-wide systems and tiered approaches of academic, behavior and social-emotional learning.
