School Hours - 7:30-2:25

Enrollment - 981

Grades - 6th - 8th

SCHOOL HIGHLIGHTS AND AWARDS

Students, parents, faculty and staff at Summit Parkway Middle School are proud to work together to offer a quality teaching and learning environment. Summit Parkway Middle School turns 25 years old this year and our SIC has been integral in the support, preparations, and future celebrations of this historic event. With their help, we have partnered with the USC School of Anthropology to assist us in collecting our organization's oral history, using state of the art archeology tools to find the time capsule, and future plans to create a student made documentary about the process. Accolades for SPMS during the past year include the addition of the STEM Institute of Design and Innovation (SIDI) to the 8th grade, United Way "Highest Percent Increase" Middle School award, our third All Metro Boys Basketball Championship, and the creation and utilization of a school App that will combine all methods of communicating information into one tool. We have continued to offer a cutting edge credit recovery/ remediation program focused on skill deficits found. The main foci of the school's professional development has been systematic data use and our new Positive Behavioral Interventions and Supports (PBIS) model which has shown great data proven improvements in the behavior of our students.

PERCENTAGE OF:

African-American: 62 %

White: 22 %

Hispanic: 9 %

Asian: 2 %

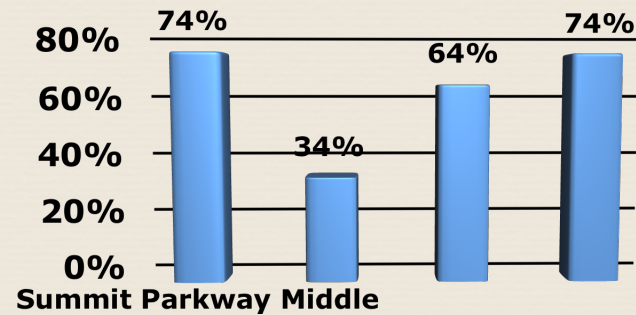

Other: 5 %

Teachers: 63

15 National Board Certified

Test Scores

Percent of Students Meeting State Standard/Benchmark

TECHNOLOGY

All students 1:1 computing

Smartboard in every classroom

Upgraded infrastructure to accommodate 1000 devices

Fully outfitted physiology and sports medicine labs

3D printer and digitizer for ideation and prototype development

Faculty, staff, and students fully integrated on Google Drive

State of the art "Maker Space" that will be fully installed

GOALS FOR THE NEXT YEAR

- ❖ SIC Focus/ Goals -
- ❖ Continue to progress the implementation of PBIS school wide
- ❖ Expand the number of family nights to increase involvement of more families into school life - specifically to support our military families
- ❖ Focus detailed services provided for incoming and out processing military families
- ❖ Reduce the failure rate of students school wide
- ❖ Develop additional business partnerships to provide feedback and assistance in the whole school as well as the two magnets
- ❖ Move all families to App usage for entire year
- ❖ Focus on improving student drop off in the car line
