 Columbia, SC 29206

School Highlights & Awards

Students, parents, faculty, and staff at Summit Parkway Middle School are proud to work together to offer a quality teaching and learning environment. In conjunction with the University of South Carolina, Summit Parkway Middle School partners in mentorship roles for undergraduate and graduate education interns and conducting research. Accolades for Summit Parkway Middle School during the past year include the expansion of the Academy of Exercise Physiology and Sports Medicine Magnet Program into the eighth grade, being awarded an additional iPAC (Instruction that is Personalized, Authentic, and Collaborative) classroom in eighth grade ELA, continuing to offer the SOAR (Success through Organization And Readiness) classes to students in sixth through eighth grades, and the introduction of ACE (Academic Content Enrichment) classes that focus on Response To Intervention strategies for academic success targeting low performing students and possible retainees from the previous school year.

56 Teachers

(18 National Board Certified)

PASS Test Scores

Summit Parkway Middle School has been fortunate enough to provide our students with an Algebra-Readiness program (JiJi) from Mind Research that fosters further development of spatial and temporal reasoning skills as well as a research and a web-based reading program called ACHIEVE 3000 the provides opportunities for students to improve their reading fluency, comprehension, and reading ability. The expansion of the iPAC classes allow teachers to combine curriculum and technology as a way of transforming education into 21st century learning by creating experiences that are personalized, authentic, and collaborative .

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.

Goals for the Next School Year

- ◇ SIC Focus/Goals Continue to investigate and pursue in the addition of a stop light at the front exit of Summit Parkway Middle School onto
- ◇ Summit Parkway to address school safety concerns. Implement the Positive Behavior Intervention System school-wide to address concerns regarding appropriate behavior, suspensions, and expulsions.
- ◇ Expand the number of family night activities to increase involvement of more families in school life.
- ◇ Develop additional business partnerships and increase community awareness of positive school activities.
- ◇ To address parent concerns regarding additional academic support, by implementing research-based RTI (Response to Intervention) Strategies for students.
