Rice Creek Elementary School of Academics, Innovation, and Leadership (SAiL) challenges students through an integrated approach to learning in the areas of Science, Technology, Engineering, Arts, Mathematics, and Medical curricula (with a focus on sports medicine).

Rice Creek students will be college and career ready. AVID assists our students in reaching their academic goals. We instill the value of organization, study skills, and higher-level of thinking.

Rice Creek is a Leader in Me School. We teach our students to be leaders of their actions and academics using Stephen Covey's 7 Habits of Happy Kids.

- Be Proactive * Begin With the End in Mind * Put First Things First * Think Win-Win * Seek First to Understand Then to be Understood * Synergize * Sharpen the Saw

GOALS FOR THE NEXT SCHOOL YEAR

□ Empower students, faculty, and staff through the STEAM-M Magnet, with a focus on sports medicine.

□ Provide an academic environment that promotes high expectations, respect, and safety for all students, faculty, and staff.

□ Create a professional learning environment that attracts and supports a high quality core of teachers and staff.

□ Support the Social Emotional Learning of Rice Creek Students.

□ Foster strong relationships with families and the community to enhance and support the well-being of students.

□ Continue to support school-wide uniform policy.

□ Continue to support and expand clubs and programs to build on student interests and passions.
