All About RCE!

AVID Elementary Showcase School

Our students will be college and career ready. AVID assists our students in reaching their academic goals. We instill the value of organization, study skills, and higher levels of thinking.

Leader in Me School

We teach our students to be leaders of their actions and academics using Covey's 7 Habits of Happy Kids.
* Be Proactive * Begin With End In Mind * Put First Things First * Think Win-Win * Seek First to Understand Then to Be Understood * Synergize * Sharpen the Saw *

Covey Clubs

Our students in grades 3-5 attend clubs monthly during the school day. These clubs are focused on interests and hobbies that help them find balance and explore new and creative interests.
