About this report....

The School Improvement Council (SIC) at Blythewood Middle School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2012-2013, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Dr. Brenda Hafner, Principal, or Martie Summerford, SIC Chair, at (803) 691-6850, ext. 85401.

Our mission is to maximize student learning by providing engaging and meaningful opportunities in a rigorous environment where relationships are built, successes are celebrated, and students are competitive in the 21st Century.

We believe success for our students depends on two things:

- Mastery of foundational knowledge.
- Opportunities to design, innovate, and collaborate.

We believe our students are stronger because of the culture of community developed at Blythewood Middle School.

School Hours:

Monday through Friday
7:00 a.m.—3:30 p.m.

Total student enrollment is 712

School Highlights & Awards

During this past school year, the tradition of excellence that has been established at Blythwood Middle School continues. Our students continued to excel at local, state and national competitions. They also sustained our practice of giving back to the community through various service projects. Students donated thousands of dollars to worthy causes that ranged from Relay for Life to our own R2 Education Foundation. Additional projects include; assisted local shelters and families in need along with Harvest Hope Food Bank, American Red Cross, and Palmetto Health just to name a few.

If you have any questions summarized in this report, please contact Dr. Brenda Hafner, Principal or Martie Summerford, School Improvement Council Chair. Both individuals may be contacted through the school's main number at 691-6850.

Goals for the next school year

Student Achievement

- Provide engaging and meaningful opportunities to prepare students for the 21st Century.
- Analyze multiple sources of data to identify trends and areas of need.
- Create a rigorous environment that challenges every student and prepares them for high school.
- Utilize a variety of strategies to support continuous improvement at BMS.

School Climate

- Create a personalized learning environment for students at BMS that provides opportunities to design, innovate, and collaborate.
- Transition students and parents into BMS and into high school.
- Create a culture based on the five “lifelong guidelines”, which include:
 Trustworthiness, Truthfulness, Active Listening, No Put-Downs, and Personal Best
- Provide enrichment opportunities through extra-curricular activities, athletics, service learning, experiential opportunities, and celebrate student success.
- Provide a safe and secure environment that fosters a limited fear of failure.

Teacher/Administrator Quality

- Create a professional learning organization for teachers at BMS centered on designing relevant learning opportunities for students.
- Customize professional development needs for the BMS faculty.
- Actively recruit and retain teachers especially in critical needs areas.
- Celebrate the success of faculty and staff.

Parents/Community

- Expand alliances with families and the community in an effort to build our job shadowing and career exploration opportunities.
- Expand the marketing plan and initiatives to engage parents and community in BMS.
- Involve stakeholders in school strategic planning.
