Mission Statement

Killian Elementary STEAM Leaders Magnet, with the support of its parents and community, dedicates itself to providing optimal instruction and a challenging curriculum, in a safe, nurturing environment, that will prepare students to be productive citizens in a global society.

Total student enrollment: 762

Pre-K through 5th Grade

School Highlights & Awards

Killian Elementary STEAM Leaders Magnet meets the diverse needs of 762 students. Our warm, welcoming atmosphere and personal relationships support our schools vision to provide the opportunity to prepare tomorrow's leaders today. Our curriculum is designed to use a project-based, problem-centered learning approach facilitated by a Science, Technology, Engineering, Arts and Math Curriculum (STEAM). We have implemented exciting strategies to support our STEAM focus on half day STEAM Days. As we focus on new norms, our collaborative delivery of STEAM-minded instruction, ongoing professional development and research with BEST practices in Math, English and Language Arts, informed data analyses, instructional delivery and team-teaching results in highly engaged classrooms.

Students are assessed using a variety of formal and informal, prescriptive and achievement measures including State Assessments, Measures of Academic Progress (MAP), easyCBM, Developmental Reading Assessment, Mastery Connect, etc. Students are provided differentiated support and encouragement to excel regardless of ability levels. Our school's Multi-Tiered System of Supports (MTSS) is a systemic, continuous-improvement framework in which data-based problem solving and decision-making is practiced across all grade levels for supporting all students.

We constantly revisit our three-tiered behavioral model called Behavioral Education Supports and Training model (B.E.S.T.) The model focuses on using culturally responsive and positive behavioral strategies to bring the BEST out of our students each day. Students earn Killian Bucks to spend at the school store quarterly during the school year. Students who "Lead by Example" participate in a Character Breakfast monthly. This model provides students with self-confidence and the tools needed to thrive in the 21st Century. Our students are developing skills which include leadership, accountability, responsibility, adaptability, initiative, communication, creativity, problem solving, and teamwork. Our Vision is having teachers in grades K-3 Orton Gillingham Training, continue to focus on Fountas & Pinnell leveled literacy intervention (LLI) system with emphasis on teacher delivery in each classroom, strongly focusing on social well being of staff/students and continuing to enhance students' development of 21st Century skills as leaders and citizens by continuing to implement Advancement Via Individual Determination (AVID) strategies .
