Bookman Road Elementary

A message from
Dr. Kendra Hill, Principal

Greetings from the helm! Our vision at Bookman Road Elementary School is to develop Beacons who "light the way" in personal character, academics and community service. We achieve this by modeling and teaching LIFESKILLS in a nurturing environment that fosters academic excellence; involving our students in their communities; and providing opportunities for exploring both inside and out of the classroom. This annual report offers a review of Bookman Road's goals; progress made this academic school term; actions planned for the upcoming school year; information on programs, activities and recognition; and an overview of testing data. Keep shining your lights, Beacons!
