Columbia, SC 29206

School Highlights & Awards

Located in rural northeast Richland County, Bookman Road Elementary serves more than 570 students in Child Development through Fifth grades. Parents, business partners, and the greater community have embraced the “Bookman Beacons” and our high expectations.

Students at Bookman Road are assessed using a variety of formal and informal, prescriptive and achievement tools. Students are provided with the differentiated support and encouragement to excel regardless of their ability levels. We are proud to report that the majority of our students meet or exceed state proficiency standards which the Palmetto Assessment of State Standards (PASS) assesses each year.

Our knowledge of how the human brain learns—the biology of learning—is used to inform our decision-making about what is taught as we develop curriculum and instructional strategies consistent with the South Carolina Curriculum Standards.

No Child Left Behind, Adequate Yearly Progress
