Major Grants Received

Victory Initiative Federal Grant - 2011-2013

DoDEA supports research-based programs that aim to increase student achievement and ease the challenges that military children face due to their parents military service. The grant program provides resources to military-connected local educational agencies (LEAs) to develop and implement projects that are designed to:

- Promote student achievement in the core curricular areas.
- Ease the challenges that military students face due to transitions and deployments.
- Support the unique social and emotional needs of military students.
- Promote distance learning opportunities.
- Improve educator professional development.
- Enhance and integrate technology.
- Encourage parental involvement.

Goals for 2014-15

- ◇ Implementation of the process of design to develop meaningful, engaging work for our students
- ◇ Continuing the implementation of Highly Effective Teaching with focus on enriched, non-threatening environments and brain-based instructional strategies to enhance design for student learning
- ◇ Implementation of Common Core of State Standards
- ◇ Students developing increased fluency in reading
- ◇ Students developing increased conceptual understanding of number sense
- ◇ Students continuing to utilize inquiry approach to science concepts
