Major Grants Received

Victory Initiative Federal Grant - 2011

DoDEA supports research-based programs that aim to increase student achievement and ease the challenges that military children face due to their parents' military service. The grant program provides resources to military-connected local educational agencies (LEAs) to develop and implement projects that are designed to:

- Promote student achievement in the core curricular areas.
- Ease the challenges that military students face due to transitions and deployments.
- Support the unique social and emotional needs of military students.
- Promote distance learning opportunities.
- Improve educator professional development.
- Enhance and integrate technology.
- Encourage parental involvement.

Goals for 2013-14

- ◇ Implementation of the process of design to develop meaningful, engaging work for our students
- ◇ Continuing the implementation of Highly Effective Teaching with focus on enriched, non-threatening environments and brain-based instructional strategies to enhance design for student learning
- ◇ Focus on implementing inquiry and problem solving in all subject areas through project based learning
- ◇ Students developing increased fluency in reading
- ◇ Students developing increased conceptual understanding of number sense
- ◇ Students continuing to utilize inquiry approach to science concepts

Technology

- 1TWO1 Computing with Chromebooks for all 3rd-5th grade students
- Two Computer Labs
- SmartBoards in all classrooms
- All Classrooms Internet accessible & wi-fi access
- Laptop cart
- iPads in Use in Special Needs, Kindergarten, 1st grade, 2nd grade, and Media Center
- Palm Pilots for DIBELS Assessment
