School Highlights & Awards

Round Top Elementary opened in 2003 with a strong emphasis on designing student work with meaningful content and relevance for each learner. We believe it is essential to engage the learner by providing a safe and secure learning environment with movement, choices, collaboration, and effective feedback. Through our focus on life skills we empower our students to become life-long learners and responsible citizens in our global society.

Technology

Round Top Elementary has two computer labs and 100% of our teaching space has internet access with Smartboards. Sound Field (amplification systems) are in each kindergarten and first grade class along with several other instructional areas throughout the school.

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.

Goals for the 2010-2011 School Year

- ◇ Buckle Buddies: in partnership with Palmetto Richland we are supporting their initiative by helping to increase awareness of child restraint safety guidelines. Round Top Elementary has distributed a pledge to all parents and supplies a car magnet to those who commit.
- ◇ Parent /Teacher Homework survey: In an effort to ensure that homework is as productive as possible for all students a survey was developed for both teachers and parents to provide feedback.
- ◇ Paper reduction: RTE is supporting the district "going green" through increasing the use and acceptance of Blackboard and other paper-less alternatives. A part of this focus is to sponsor our third annual Earth Day .
