Kelly Mill establishes an enriched learning environment of academic, personal, and social excellence. In alliance with students, parents, and the public, this scholastic community provides meaningful, quality education through comprehensive, integrated programs. Here students build self-worth and self-competence, thereby becoming contributing citizens to an ever-changing world.

Student Enrollment - 1031
Grades - 6th - 8th

School Highlights & Awards

Kelly Mill Middle School is a school of academic, personal, and social excellence. We partner with students, parents, businesses and community to provide an integrated, meaningful, quality education. The curriculum at Kelly Mill Middle School focuses on advancing the skills and abilities of students. Honors classes are available in all four core-content areas, English, Math, Science, and Social Studies. Our regular classes are college preparatory. Specific academies feature environmental, problem-solving approach to learning. The AVID Program takes students who are in an average academic class and places them in advanced classes. We are a National AVID Demonstration site. We use brain-compatible instruction to enhance learning. Our life-long guidelines and life skills form our Character Education Program. We use technology as an integral component of instruction. This school taps into multiple resources. We offer "dot-com classes" in Social Studies and English where every student has one-to-one computing. Each classroom has a Promethean Board. We have two classrooms that are set up as iPad classes. Technology is an integral part of Kelly Mill.

Goals for the next school year

- ◇ To increase one-on-one computing in the school.
- ◇ To implement initiatives to increase academic achievement for all students.
- ◇ To develop and retain a high quality core of teachers and staff.
- ◇ To increase communication with parents, caregivers and community.
- ◇ To increase the achievement of minorities at Kelly Mill.
- ◇ To increase the percentage of students scoring advanced on PASS.
- ◇ To increase the safety and security at Kelly Mill.

Student Information

66% African American
 27% White
 2% Asian
 3% Hispanic

54 Teachers

(21 National Board Certified)

Magnet Program - Kelly Mill, INC. focuses on equipping students with the 21st Century skills, basic knowledge on economics, and sound reasoning skills. Students learn about personal finance, economics, and business during one of the most critical times in our nation's history. The rigor the program and the complexity of the material discussed demand that INC. students be highly intellectual, capable, and highly motivated.
