School Highlights & Awards

Blythewood High School, established in 2005 and home to nearly 1700 students, is located in the town of Blythewood. Blythewood High serves a rapidly growing and increasingly diverse population with both creative and practical curricula and programs that set high standards for students and staff. Personalization guides the vision and mission of the school through a house structure that personalizes the delivery of information and services to students. Students select from twelve different career clusters and designate one of 23 major as part of one of the houses.
