School Highlights & Awards

Blythewood High School, established in 2005 and home to over 1900 students, is located in the town of Blythewood. Blythewood High serves a rapidly growing and increasingly diverse population with both creative and practical curricula and programs that set high standards for students and staff. Personalization guides the vision and mission of the school through a house structure that personalizes the delivery of information and services to students. Students select from twelve different career clusters and designate one of 23 majors as part of one of the houses.

Goals for the next school year

- ◆ Ensure a safe and secure campus for student learning.
 - ◆ Create multiple pathways for students to plan for college and career.
 - ◆ Improve collaboration with families and community partners.
 - ◆ Actively review ways to retain quality faculty/ staff.
 - ◆ Maintain a rigorous curriculum and quality learning for all students.
- SIC continues to assist Blythewood High School to reach their vision. The committee continued to work on ACT participation. The goal was to make students and parents aware of this state mandated test and how it can be used to qualify students to colleges and universities. The other project was the Bullying Intervention and Awareness. The SIC wanted to make parents aware of this and what interventions can take place. This project will continue to next year.
