

School Organizations and Contacts

Our School Improvement Council (SIC) serves in advisory to the principal and is focused on helping to achieve school improvement. The SIC is comprised of parents, community partners and staff; members are elected and appointed. They support:

- All-school wide initiatives
- Student achievement
- School climate
- Beautification projects
- School & community partnerships

Highlights and Awards

We are proud of our fine school community. Sandlapper is a school of the future where students thrive. We share a vision of excellence in a safe, nurturing environment where children feel important and understand their roles as learners and contributing citizens.

We practice student leadership, proactive and positive behavior and engagement while reaching for the highest potential in academics. Through hands-on learning, technology integration, arts experiences, differentiated instruction and service learning, as well as many other features and programs, our Sandlapper Stars soar with learning to the highest level!

SIC & School Goals

Sandlapper's School Improvement Council (SIC) creates yearly goals to build communication and a partnership between school and parents. The SIC created the following goals:

- Support administration and faculty.
- Encourage parents to join and participate in SIC meetings to plan school improvements.
- Improve student attendance

Sandlapper Elementary is helping all students develop the world class skills and life & career characteristics of the "Profile of the SC Graduate" by:

- Emphasizing student leadership, igniting excitement for learning as well as maintaining a positive, safe to provide meaningful teaching and learning
- Focusing on student engagement through staff development and improving our design of curriculum and student work, embracing the state standards
- Embracing the 1TW01 technologies, continuing to design for student engagement and application utilizing the technology that can customize learning and connect students to their greater world through Computer Science
- Measuring and tracking academic progress on a regular and meaningful basis to inform instruction and build student accountability
- Increasing parental and community involvement in our positive environment, student leadership and other initiatives
