

## **Our Mission:**

To establish an education foundation with diverse learning experiences for all through strong school, family, and community relationships

## **Saluda Primary Pledge**

At SPS, we are leaders.

Today we will:  
Prepare to learn  
Act responsibly  
Work as a team  
Show respect

We know how to do what's right!

## **Our Goals for the 2018-2019 School Year**

- Continue to implement our school's reading plan
- Improve the frequency and quality of student writing
- Implement strategies to support English language acquisition
- Increase family engagement with the school through multiple opportunities for work and fun
- Enhance our presence on multiple social media outlets in order to improve communication with our families and community

## **We Are Excited to Celebrate!**

- Implementing a Positive Behavioral Interventions and Support (PBIS) program to motivate students to learn, be responsible, and show respect to others
- Expanding our recognition programs to include monthly special events, quarterly Brag Tag ceremonies, and a culminating MAP celebration in May
- Engaging fathers of students through our Watch D.O.G.S. (Dads of Great Students) mentor and volunteer initiative
- Collaborating with area churches to implement the Good News Club after school program
- Partnering with Saluda Special Olympics, Relay for Life, and the Saluda Service Network
- Introducing our students to the popular "Letterland" phonics system, allowing them to learn letter sounds and writing skills much earlier and with more success than previously
- Adding dozens of books to our classroom libraries through donations and grants

From the time that students arrive on campus to the time they depart in the afternoon, learning is the first priority. Our focus on instruction is designed to make sure that children are engaged in meaningful activities all day long. As we are preparing our students for their next grade level, we are helping them learn essential skills that will allow them to be successful in whatever college or career paths they follow.

Thanks to our high-quality teachers, our supportive parents, and our caring community, Saluda Primary is continuing to help students meet and exceed expectations.
