## Major Priorities

OPE teachers and administrators will:

- practice, implement and reflect on strategies to ensure the academic success of each child
- integration of coding, circuitry, and engineering practices within classrooms
- continue implementation of OLWEUS anti-bullying program
- continue school-wide infusion of the arts throughout all content areas
- continue to focus on instructional best practices
- use data from informal and formal assessments to inform instruction
- continue to integrate S.T.E.A.M lessons schoolwide
- continue to seek community organizations to display children's art work
- develop community outreach programs through various clubs on campus
- provide differentiated exemplary staff development opportunities through Momentum Mondays, Grade Level Meetings and The Spartanburg Writing Project
- implement a motivating reading incentive program that will encourage all students to increase their volume of reading and text complexity
- continue to implement math incentives for 3<sup>rd</sup> grade students memorizing multiplication tables and 1<sup>st</sup> grade students memorizing addition facts
- encourage parent and community volunteers through the PTO
- work closely with School Improvement Council
- continue to differentiate instruction through Readers and Writers Workshop as a Title 1 Federal Focus school
- continue to integrate technology in all grade levels and every student in grades 3rd-5th will receive a Chromebook and 2nd graders will receive Acer tablets, while 5K and 1st will have access to Acer tablets at a 2:1 ratio.
