Data

At IES we rely on data from two reading assessment systems:

- Dominic
- Fountas and Pinnell

These oral and written tests are administered in a one-on-one setting with the classroom teacher to determine a child's reading ability.

Grade	Text Level Expectation By the End of the School Year
K	2B - 3
1	7 - 7B
2	9 - 9B
3	11

MAP Tests

The MAP Test is a measure of academic progress for students in grades 1-3. The test measures strengths and weaknesses in Math and Reading. The scores are analyzed, and students are placed in "just right" FLEX groups to build on their strong skills and remediate their weak skills.

Grade	MAP Expectation By the End of the School Year for MATH	MAP Expectation By the End of the School Year for READING
1	169+	162+
2	190+	185+
3	200+	193+
