**A. This school documents and monitors the reading and writing assessment and instruction planned for all sixth through twelfth grade students and the interventions provided to all struggling readers who are not able to comprehend grade-level texts.**

A Comprehensive System of Assessment

- Summative Assessment
  - SC Ready, End of Course Assessments
- Formative Assessment
  - Fountas and Pinnell, DRA, Dominie
  - Star Reading
  - MAP
  - IReady
- Team Focused Decision Making
  - Problem Identification; Problem Analysis; Intervention Design/Action Planning; Evaluation of the Plan
- Documentation of Data

**Section J: Previous 2020-21 SMART Goals and Progress Toward Those Goals**

Please provide your school's previous goals from the 2020-21 reading plan and the progress your school has made towards these goals. Utilize the most appropriate and relevant quantitative and qualitative data to determine progress toward the goal (s).

<b>Goal #1:</b> By May 2021, Boiling Springs Middle School create flexible learning units for target standards in all content areas. The administrative team and coach/lead teacher will monitor the creation and implementation of the flexible learning units during TLT meetings.	<b>Progress:</b> Flexible Learning Units were created and used during the duration of the hybrid model. In late November of 2020, teachers followed the regular pacing guide.
<b>Goal #2:</b> By May of 2021, Boiling Springs Middle School ELA teachers will have established a writer's workshop as part of their literacy block of instruction.	<b>Progress:</b> Teachers did model and give feedback virtually via Google Docs. However, Covid-19 restrictions did not allow teachers to fully implement all components of the Writers Workshop.
<b>Goal #3:</b> By May of 2021, an additional 20% of content teachers at Boiling Springs Middle School will receive professional development in High Impact Strategies in the classroom through cohort 3 of the District Teacher Leader Academy.	<b>Progress:</b> This goal was achieved and currently more teachers at Boiling Springs Middle School are going through cohort 4 of the District Teacher Leader Academy.

**Section K: 2021–22 SMART Goals and Action Steps Based on Analysis of Data**

All schools serving students in third grade **MUST** respond to the third grade reading proficiency goal. Schools that do not serve third grade students may choose a different goal. Schools may continue to use the same SMART goals from previous years or choose new goals. Utilize a triangulation of appropriate and available data (i.e. SC READY, screeners, MTSS processes, benchmark assessments, and observational data) to set reasonable goal(s) for the 2021-22 school year.

<p><b>Goal #1:</b> By May of 2022, 75% of content area teachers at Boiling Springs Middle School will complete five out of seven professional development sessions in the Leading Impact Teams district book study.</p>	<p><b>Action Steps:</b></p> <ol style="list-style-type: none"><li>1. Administration and instructional/math coach will communicate the dates for the HIT PDs.</li><li>2. Teachers will participate in the recurring book study using the Leading Impact Teams text and workbook assigned by the district instructional team.</li><li>3. Teachers will collaborate to discuss assigned readings and workbook pages.</li></ol>
