140 Cooley Springs School Road - Chesnee, SC 29323

CSF Needs Assessment

- CSF teachers and instructional coaches plan standards based curriculum and assessments
- CSF teachers focus on teaching effective reading comprehension, decoding, and fluency strategies to support our students in becoming well rounded readers
- CSF teachers focus on teaching the conceptual understanding of mathematics
- CSF teachers continually analyze student achievement and plan for differentiated instruction in weekly TLTs (Teaching and Learning Teams) using High Impact Team Protocols with a focus on priority learning standards
- CSF promotes critical thinking and problem solving through engaging learning experiences
- CSF continues to increase integration and the use of nonfiction texts in all subject areas
- CSF continues to expand the focus of vetted digital tools to enhance classroom instruction and impact student achievement
- CSF continues to use data to develop and enhance the instructional focus for achievement as indicated by iReady/SCPASS/SCREADY/KRA/PALS assessments
- CSF teachers infuse high impact strategies into their teaching methods
- CSF teachers plan for data-driven differentiated instruction to meet the individual needs of learners

Parent/Community Involvement

Not all activities were held due to Covid
