Updated Needs Assessment

- With the implementation of South Carolina New State Standards in 2013-2014, building teacher knowledge of the new standards will be a continued focus.
- CSF will continue to use data to develop and enhance the school's instructional focus to increase achievement as indicated by the Measures of Academic Progress (MAP) and Palmetto Assessment of State Standards (SCPASS) tests.
- CSF will continue to expand our focus on writing and developing units integrating the South Carolina New State Standards.
- Continue to expand our focus on making various technologies available to students and teachers for the enhancement of classroom instruction and student learning.

CSF Mission Statement

"Our mission is to provide a school community in which everyone works together to produce life-long independent learners in a clean, safe atmosphere of trust and respect."
