Updated Needs Assessment

◊ Ensure students at Hendrix Elementary IB World School move towards college and career readiness as measured by SC Ready.

◊ Due to the COVID-19 school closure and the pandemic, Hendrix will provide academic and SEL interventions to support all students with academic weaknesses or social and emotional needs.

◊ Ensure students achieve iReady growth in reading and math as indicated in fall to spring data. By May 2022 Hendrix Elementary students will increase reading engagement by 20% from the beginning of the year as measured by Serravallo's reading engagement inventory.

◊ By May 2022 school year, Hendrix Elementary School teachers will continue to implement authentic writers workshop as evidenced by student work and learning plans.

◊ Hendrix students will share their knowledge of the learner profile attributes through our annual exhibition.

◊ Hendrix Elementary IB World School instructional team will continue to prepare and support faculty and staff through professional development, academic resources, and common planning to ensure successful implementation of State Standards and District/School Initiatives.

◊ Hendrix Elementary IB World School will continue efforts to strengthen internal and external communication in a welcoming, clean, attractive, and safe (PBIS) campus.
