- Lauren Beard—Counselor
- Jennifer Cash—Teacher
- Jenna Bishop—Teacher
- Crystal Barrs—Parent
- Justin Conner—Parent
- Brittany Weathers—Parent
- Christina Webster—Community Member
- Mitzi Gurley—Community Member
- Kelly Lowe—Community Member

**Mayo Elementary School**  
1300 Springdale Road - Mayo, SC 29368

## MES Needs Assessment

### **English/Language Arts:**

Continue to develop a supportive reading culture:

- Curriculum guides are continuously updated by the district to be used to support and enhance reading instruction based on the SC College and Career Readiness Standards.
- Implemented LLI and leveled guided reading groups based on iReady and Fountas and Pinnell leveling data.
- Implemented daily independent reading in kindergarten through fifth grade.
- Implemented new SC College and Career Readiness Standards in grades K-2.
- Additional funding has been allotted for expanded classroom libraries and leveled reading instruction.
- The Orton-Gillingham approach is a direct, explicit, multisensory, structured, sequential, diagnostic, and prescriptive way to teach literacy. The program has been implemented in all 4K-3rd grade classrooms as part of the district initiatives.
- MES staff members have had additional opportunities for professional growth through school-based trainings and refresher courses.
- After-school tutorial and enrichment programs and/or summer programs for identified students.
- Quarterly family activities based on literacy.

### **Math:**

Enhanced instruction and approaches to accelerate learning:

- Curriculum guides are continuously updated by the district to be used to support and enhance math curriculum instruction based on the SC College and Career Readiness Standards.
- All faculty members participated in trainings regarding 4.0 Teaching Rubric and Differentiation.
- Implemented research based curriculums to enhance individual learning and growth through leveled instructional practices.
- Utilization of our Math Coach to help teachers strengthen the rigor of math instruction in our classrooms and on assessments.

### **Science/Social Studies:**

Enhance instruction and approaches to accelerate learning:

- Continued integration of fiction and nonfiction reading opportunities for students.
- Working with our District Office, MES will integrate a district-wide science curriculum guide for grades 3-5.
- Provide hands-on opportunities for learning through our recycling team.
