

South Carolina Palmetto Assessment of State Standards (SCPASS)

The academic areas assessed include English Language Arts, math, science, and social studies. All 3rd, 4th, and 5th graders are tested in ELA, math, and writing. Fourth graders participate in all areas, while 3rd and 5th graders participate in either science or social studies. The table below shows the percentage of Mayo students who scored "Met" or "Exemplary" for the 2013-2014 school year.

SCPASS Data Percentage "Met" and "Exemplary" Status		
Subject	2013-2014 Results	2014-2015 Goals
Writing	84.2%	87%
ELA	85.5%	88%
Math	72.2%	75%
Science*	74.8%	77%
Social Studies*	80.2%	83%

The South Carolina Department of Education was granted a waiver from several accountability requirements of the Elementary and Secondary Education Act (ESEA). Below is the new grading system of school's performances, in the form of a letter grade.

Overall Weighted Points Total	93.5
Overall Grade Conversion	A*

*Performance substantially exceeds the state's expectations.

Mayo Elementary School has been designated as a **Title I Reward School for Performance!** This is an accountability indicator for Title I schools. Mayo is among the highest performing Title I schools in a given year for the 2013-2014 school year.

2013 - 2014 Student Attendance Rate	96.2%
2014 - 2015 Student Attendance Goal	97.0%

Updated Needs Assessment

- MES will continue to use data to develop and enhance the school's instructional focus to increase student achievement as indicated by the MAP (Measures of Academic Progress), SCPASS, and ACT Aspire tests.
- Continue to provide faculty and staff professional development opportunities to ensure successful implementation of the new South Carolina College & Career Ready Standards.
- Continue to expand our focus on making available to students and teachers various technologies to enhance classroom instruction and student learning.
- Continue to acquire nonfiction books and materials for the media center and classroom libraries
