Updated Needs Assessment

- Continue to use data to develop and enhance the school's instructional focus to increase student achievement as indicated by MAP (Measures of Academic Progress), iReady, SC-READY and SC-PASS.
- Continue to provide professional development opportunities to ensure successful implementation of the South Carolina College and Career-Ready Standards.
- Continue to expand technology needs to equip students with the necessary skill-set to be college and career ready in the 21st century.
- Continue to acquire nonfiction books and materials for the media center and classroom libraries.
- Continue to develop and fully implement our interactive Science lab.
- Continue to enhance home-school communication through increased electronic and social media outlets.

Parent/Community Involvement

- We participated in annual fundraising drives benefitting the United Way and the Upstate Family Resource Center
- We collected, distributed and acted as liaison for various churches and businesses providing Christmas assistance to our families.
- We maintained a strong partnership with USC-Upstate and Converse College by hosting and mentoring student teachers.
- We continued our partnership with Johns Manville, providing weekend snack bags for students.
- Our school webpage, Facebook page, Remind 101 and The Falcon Flyer e-newsletter continue to provide information relating to events at MES.
- Regularly scheduled PTO Spirit Nights brought our school family together outside of school hours.
- We maintained a strong partnership with Chesnee High School to promote service learning opportunities and teacher cadet experiences.
- We continued our annual tradition of hosting "Goodies with Grandparents", Literacy Night, Fine Arts Night and Math/Science Night.
- We began a new tradition of hosting monthly "Parents to Lunch" dates, where students and families were able to spend time together enjoying food and fellowship.
- We continued our partnership with the Chapman Cultural Center (MUSE Machine) to provide school-wide programming focusing on the arts.
- We continued our partnership with the Boys and Girls of the Upstate to provide after-school programming offering opportunities in academics, athletics and arts for 1st -5th grade students.
